## GRANT AWARDING POLICY and GUIDANCE NOTES

Axmouth Parish Council has a small budget for the award of grants. The Parish Council can only award grants using certain legal powers. Where there is no statutory power the Parish Council may use Section 137 of the Local Government Act 1972 to give grants to community organisations. This power may only be used if its use will benefit some or all of its residents or some or all of the area and where the benefit obtained is commensurate with expenditure incurred.

There is limited budget for grant allocations and requests usually exceed the amount available. It is therefore imperative that all questions on the application form are answered as fully as possible and that the application includes the information and documents requested on the form. In the case of a newly formed organisation/group, they are requested to provide a business plan and budget.

The aim of this policy is to enable the Council to make an informed and fair assessment of relative need and thereby seek to ensure the finite resources are distributed fairly.

**Applications for grants will be considered during the monthly Council Meetings. All applications must be received at least three weeks prior to the date of the meeting.**

### Guidance Notes:

- The group or project must bring direct benefit to the residents of Axmouth. All applications must clearly demonstrate how this will be achieved.
- You may apply any time during the year, however, your application will only be considered at the above meetings.
- Only applications on the correct form will be considered.
- Grant applications will not be made retrospectively.
- Applications WILL NOT be considered from the following:- Organisations intending to support or oppose any particular political party or to discriminate on the grounds of race or religion; Private organisations operated as a business to make a profit or surplus; "Upward funders", i.e. local groups whose fund raising is sent to their central HQ for redistribution; National Charities.
- Applications will not normally be considered from local groups with access to funds from national "umbrella" or "parent" organisations, unless funds are not available from their national bodies or the funds available are inadequate for a specified project.
- Applications from religious groups will only be considered where a clear benefit to the wider community can be demonstrated irrespective of their religious beliefs. Compliance with this requirement will need to be demonstrated throughout the project.
- Applications from education, health or social service establishments will only be considered where the organisation can demonstrate that it is working in partnership with other groups and where there are benefits to the wider community within the parish.
- Any grant must only be used for the purpose for which it was awarded unless the written approval of APC has been obtained in advance for a change in use of the grant monies. Any unspent portion of the grant must be returned to APC by the end of the financial year in which it was awarded.
- Although APC will give as much help as possible, the administration of and accounting for any grant or subsidy shall be the responsibility of the recipient.

- APC reserves the right to request any further information that it deems necessary to assist the decision making process. Account will be taken of the amount and frequency of previous awards and of the extent to which funding has been sought or secured from other sources or own fund-raising activities.
- Ongoing commitments to award grants or subsidies in future years will not be made. A fresh application will be required each year.
- The size of any grant awarded is at the sole discretion of APC.
- APC may make the award of any grant or subsidy subject to such additional conditions and requirements, as it considers appropriate.
- APC reserves the right to refuse any grant application at their discretion, if considered to be inappropriate or against the objectives of APC.
- If successful, groups should provide a written report on how the grant has been used. This must be provided to the Council by the end of the financial year in which it was awarded.

Grant application forms are available from the Clerk or from the Parish Council website. Application forms must be submitted along with the latest set of the group's accounts. It is important that all questions on the application form are fully answered and that any appropriate additional information, which supports an application, is provided.
