The Friends of Axmouth Church was formed in July 2011 in order to raise money for the upkeep of the fabric of St Michael's Church. So far to date we have raised approximately £20,000, and this will be used towards the essential masonry repairs to the Church tower. We have applied for several grants and await the outcome. If we are unable to raise the whole sum of some £60,000 required, we intend to use the funds we have in order to get the Church watertight before another winter – ie to do the work in stages.

Our Fundraising Committee works very hard arranging events for as many people as possible to join in and enjoy. The recent Mega-breakfast (jointly hosted with the Village Hall Committee) was a huge success, and we hope to repeat this in August.

The next event will be a Caribbean evening on 18th May, and by popular demand we are repeating the Christmas Tree Festival this year.

As well as raising money, the Friends help in a practical way. Our Wednesday evening work parties are well supported. We meet in the Churchyard at 6.30pm, and try to finish by 8.00. Everyone is very welcome to join us.
