4) **Highway Matters including VAS (Vehicle Activated Signs) and 20 mph trial update:** Cllr K Steven advised that the wooden posts on Church Street have been fixed and wished to thank the contractors – they have done an excellent job and have cleaned up behind them well. Cllr Garrett confirmed that she spoke to them at the time and thanked them. Councillors agreed that the suggested temporary VAS sign at The Ship Inn not be done but to concentrate on the permanent sign outside Marandellas. **ACTION:** Clerk to confirm this with DCC Highways. Cllr Hall advised that there is no current update on the 20mph trial. He will provide an update when he receives one. A post has been ripped out of Chapel Street again (this has been replaced) and Councillors wondered if a solution could be possibly placing kerb stones outside of the posts. **ACTION:** Clerk to speak to DCC Highways to see if this would be possible. Cllr Britton advised that he has been contacted by the owners of the stables at Church Street which come out straight on to Church Street where there is no footpath, they have recently been involved in near misses between the horses and vehicles when they try to leave the stables.

**ACTION:** Cllr Hall will add this to the 20mph trial details as this is another important reason for Axmouth to be included in the 20mph trial.

Cllr Daniel confirmed that the grit bin has arrived and he has put some salt in it. **ACTION:** Clerk to contact DCC to add to their grit re-fill list.

Cllr Daniel confirmed the spring source comes from behind No 2 Rose Cottage. He has spoken with the owner who is currently undertaking renovation works and will try to get it duct away.

Cllr K Steven also advised that a donation has been received for £100 from Mr B Clark from the village towards the cost of the benches. Cllr K Steven has written to thank him. The last remaining bench that is in disrepair will be removed which will leave four benches on the green.  
Cllr K Steven has advised that some repairs will be carried out on the platform shortly including

non-slip matting being put in position.

Cllr Daniel advised that there is some damp in the information board under the Perspex so the Perspex should be replaced. Councillors agreed for this to be done. **ACTION:** Cllr Daniel to arrange. Cllr M Steven advised that the metal birds along the fence are getting rusty. Councillors to repaint.

9) **To accept reports and agree actions from the following:**

- a) **County Councillor: Cllr Hall** attended the meeting. He had circulated a report prior to the meeting - available on the Parish Council's Website [Cllr-Hall-report-Feb-2021.pdf](#) **CHANGE TO MARCH.** ([axmouthparishcouncil.co.uk](http://axmouthparishcouncil.co.uk)). No questions were raised by Councillors. Councillors thanked Cllr Hall for the report.
- b) **District Councillor: Cllr Thomas** attended the meeting. He will circulate a report after the meeting - see [www.trinitymatters.co.uk](http://www.trinitymatters.co.uk) for further information. Cllr Thomas was disappointed to hear of the serious issues regarding allegations of bullying at EDDC which have come to light following a recent staff survey. The purpose of the Scrutiny Committee is to be a 'critical friend' and to hold the Cabinet to account which he believes to not be happening. He reassured Councillors that him and his independent colleagues are not involved with the new administration and this issue cannot be ignored. Cllr Hall confirmed that it was an uncomfortable meeting to attend and confirmed that he too is not letting the matter go.
- c) **Parish Councillors:** Cllr Britton advised that the horse riders who were using the footpath have been advised that they should not be using it and confirmed that will no longer do so. The horse riders advised that they did so as they were unable to use the bridle path due to a car blocking the entrance. Cllr Daniel confirmed that he and Cllr K Steven have spoken to the owner of the vehicle who advised that they always ensure they leave room as he is aware that horses use it, but a guest may have parked awkwardly. They will remind their guests to park appropriately.  
Cllr Britton asked the Clerk to find out if owners of properties in Chapel Street are paying their Council Tax bills. The Clerk advised that it is possible to find out if a property has a tax band but  
Cllr M Steven suggested that the next Clean-Up date be agreed. Councillors agreed to the date of 26.06.2021. Cllr M Steven will create and display notices confirming this date asking for volunteers. Cllr Britton asked that the playground be included in the next clean-up day should there be enough volunteers. Cllr Britton also confirmed that he will need help for the Noticeboard repairs as it is too heavy to do by himself. Cllr K Steven and Cllr Badger offered to help.  
Cllr Daniel advised that the footpath project is still underway, there is one last land registry search to be completed. Councillors **approved** that this be arranged.  
There are a few issues on some of the footpaths. **ACTION:** Councillor Daniel will contact DCC P3 regarding these.  
Cllr Mather confirmed that the new Green Bin has been delivered by EDDC and is situated in the Village Hall Car Park.  
Cllr Badger advised that the gate next to Spring Cottage (bottom of footpath 6) requires repair. **ACTION:** Clerk to contact Bindon to ask that this be repaired.
- d) **Parish Clerk:** A report had been circulated prior to the meeting. Accepted.
