

AXMOUTH UNITED F.C.

Centenary 1923-2023

(Affiliated to the Devon County Football Association)

Report for Axmouth Parish Council – April 2025

Axmouth United FC is a small long-established grassroots football club with some 85 members and entirely run by volunteers. The excellent clubhouse and football facilities at our Boshill Cross Ground regularly receive compliments from visiting teams from clubs across Devon. The Club currently has one adult football team playing in the Devon & Exeter Football League.

Whilst our current season has not been as successful as we would like in the league, we still have a cup semi-final to look forward to with the chance to end the season on a high.

The Club continues to encourage younger players and recently we fielded a team in which our captain and six other players were all aged under-18. In addition, the under-16 team of another local club often uses our pitch for their home games.

The weather through the winter and spring this year has been much kinder to us than it was last year, and so it has only been necessary to postpone a couple of home games due to an unfit pitch.

We have wonderful supporters, some of whom travel miles for away games, but we would gladly welcome more from the village coming to support us as we endeavour to keep grassroots football alive and well in Axmouth.
